Financial Policy

Thank you for choosing Revolution USA Inc as your therapy provider. We are committed to your successful treatment. Please understand that in order to provide the best treatment and meet your needs, we need you to accept total financial responsibility. We consider payment of your bill an important part of your treatment. The following is a statement of our Financial Policy that we ask that you read and sign prior to treatment.

All patients (or patient representatives) must complete our Patient Intake form before seeing a treatment provider.

- **Full payment is due at the time of service**
- **We accept checks, money orders, credit**
- **We offer an extended payment plan**

Regarding Insurance

Your insurance policy is a contract between you and your insurance company; we are not party to that contract. We may accept assignment of insurance benefits your second visit. However, we do require a portion of the bill to be paid at time of service. The balance is your responsibility whether the insurance pays or not. We cannot bill your insurance company unless you give us your complete insurance information. In the event we do accept assignment of benefits, we may ask that you be pre-approved on our extended payment plan or provide a credit card with authorization to bill that account for the balance. If your insurance company has not paid your account in full within 60 days, the balance will be automatically transferred to you, your credit card, or the extended payment plan. Please be aware that some, and perhaps all, of the services provided may not be covered services and thus considered reasonable and necessary under your insurance policy.

Regarding insurance plan where we are participating provider

All co-pays and deductibles are due at the time of treatment. In the event that your insurance coverage changes to a plan where we are not participating provider, the provisions in the paragraph above apply.

Adult & Minor Patients

Adult patients are responsible for full payment at the time of service. The adult accompanying a minor and the parents or guardians of the minor are responsible for full payment. For unaccompanied minors, non-emergency treatment will be denied unless arrangements have been made in advance to use an approved credit plan, check, or credit card to make payment.

Certificate: I have read and agree to the terms of this Financial Policy.
